ANNOUNCEMENT

MOOC on the « Energy and Ecological transitions of countries of the South »

The Vice-Chancellor of the University of Dschang informs students of his institution that, in partnership with the Ecole Normale Supérieure, the French Development Agency announces the launch of the MOOC (Massive Open Online Course) on “**Energy and Ecological Transitions in the countries of the South**”.

This course offers an update on the issues related to climate change and the development of the countries of the South. The Vice-Chancellor invites students to massively register for this on-going **free training** which started on **September 25, 2017** on the following platform:
