Dear colleague,

The 1st International Conference in Agriculture and Forestry [AGRIBASE] invites leading agriculturists, university professors, researchers, policy makers, young individuals, horticulturalists, agricultural engineers, industry experts, stakeholders, agronomists and all other enthusiastic participants around the world to send their abstracts for the Conference.

AGRIBASE is comprised of keynote and speakers sessions on latest cutting edge research designed to offer comprehensive global discussions that address current issues in agriculture and forestry. The conference is organized as a sustainability activity of:

- Boosting Adult System Education in Agriculture- AGRIBASE Erasmus+ project
- Boosting Adult Education in Organic Farming- BIOFARM Erasmus+ project
- Boosting Agricultural Science and Education through Internationalization- AGRIBASEII Erasmus+ project

We invite original research, for oral or poster presentations in major areas of agriculture and forestry (see topics enclosed). Conference language is English. Deadline for Abstract Submission is 25.09.2019.

All accepted abstracts will be printed in the conference proceeding abstract book. Submitted papers will be evaluated through double peer reviewing process. For more information visit our web-site <http://www.agri-base.eu/agri-base-conference>

Additionally, within the 1st International Conference in Agriculture and Forestry AGRIBASE we invite experts and specialists in agriculture and forestry to take part within the round table or as speakers. The deadline to send your Express of interest is extended to 25.09.2019. The topics to be discussed will be based upon the AGRIBASE project outputs and intellectual outcomes, in particularly O3, and the BioFarm activities in organic farming. Please link your interest to the field of specialty of AGRIBASE consortium experts (see the List below with all the colleagues who contributed to AgriBase anyway check the conference web-site for your relevant match).

Please be as kind as to circulate this information among your country HEIs and other educational institutions dealing with agriculture and forestry, relevant ministries of agriculture and education and other stakeholders (farmers, agricultural workers and practitioners, students, NGOs etc).

On behalf of AGRIBASE consortium and conference Board.
